Re: Gillespie Land and Livestock Co.

C  
Dear Mr. Turrel:

O  
You will recall that I wrote to your company  
through Mr. Hance on September 27, 1973.

P  
Over the Mother's Day weekend I was at the ranch  
and while I was there I made an inspection of your "ditch  
system", the damage to the fences along the right-of-way  
and the rock and debris which you had piled in the roadway  
lying just south of our reservoir.

Y  
Frankly, you've torn the hell out of the fence,  
left rock and debris in front of the roadway, destroyed the  
ditch into Mr. Graham's property and made an absolute mess  
of the canyon.

I examined the spring at the mine and found that  
you had virtually ruined the same and that very little water  
is now coming therefrom. As you know, the Dry Creek Irrigation  
Company owns the water rights in that spring, and they are

continuing to take the amount of water delivered into the ditch system out that was originally appropriated which can only mean that the amount of water coming out of the system and available to others has and is diminished.

NOTICE IS HEREBY GIVEN for you to immediately take such actions as are necessary to do and complete the following:

- C
- O
- P
- Y
- (1) Immediately cause the proper repair of the fence along the road right-of-way;
  - (2) Remove the debris and clear the access road to our property;
  - (3) Remove the debris from, clean and restore the spring to its condition that existed prior to your activities thereon;
  - (4) Repair and replace the irrigation ditch to Mr. Graham's property; and
  - (5) For you to cease and desist from the damage to the road, ditches, and fences.

I have no intention of having to repair the fences, clean the roadways and continually remind you to exercise the care and caution of any prudent, reasonable and cooperative neighbor.

As you are well aware, the irrigation season is well underway; and the need for Mr. Graham to have his ditch repaired is imperative. Your company gave assurances that the same would be completed by the first of May. You have taken absolutely no affirmative action.

The sheep will be moving on the mountain before very long, and the holes in the fence will not keep them off the properties.

May I hear from you immediately.

Very truly yours,

JAMES R. GILLESPIE
